Ideas

1	EAC		Engaged and active citizenry
2	EAC	2	Not slow growth, but smart growth
3	EAC	1	Honor natural environment/systems
4	EAC		Synchronize/improve traffic lights
5	EAC		Eliminate double taxation
6	EAC		Create higher income (living wage) job opportunities
7	EAC		Provide well-rounded education experience
8	EAC		Acquire available property for future environmental planning
9	EAC		Focus growth in developed areas and maximize use of existing infrastructure
10	EAC	4	Focus redevelopment in strip malls, with high quality design
11	EAC		Selective growth; acquire land for business development
12	EAC		Do not permit environmentally unsafe development
13	EAC	3	Protect cultural resources
14	EAC		Alternative transportation
15	EAC		Redesign town bus system
16	EAC	5A	Traffic calming standards
17	EAC		Reduce regulations that interfere in citizens' day-to-day life
18	EAC		Implement comprehensive recycling program (residential and commercial)
19	EAC		Ensure an adequate and safe public water supply
20	EAC		Ordinance enforcement: fines go into environmental enhancement fund
21	EAC		Encourage small/medium businesses that value what Leesburg has to offer
22	EAC		Compatible zoning for undeveloped property
23	EAC		Affordable low-income housing
24	EAC		Better housing and programs for elderly/aging citizens
25	EAC		Adopt policy to become model/showcase town
26	EAC	5B	Embrace low-impact design and energy efficient architecture (green buildings)
27	EAC		Take care of teenagers
28	EAC		Greenbelt edge around Leesburg
29	PC		Encourage more commercial development
30	PC		Have a vibrant place and destination
31	PC	4	Promote quality, realistic and positive economic development
32	PC	1	Establish a good transportation network and resolve trans. issues that exist today (street networks for example)
33	PC	3	Preserve the historic character of our town, thereby achieving a small town feel
34	PC		More green space, more green space, more green space

Number	Source	Rank	I deas
35	PC		Provide a safe and secure town for our citizens
36	PC		Trail, bike, and pedestrian connectivity for all residents (master plan)
37	PC		Promote a realistic jobs/housing relationship for low and moderate income/affordable quality housing
38	PC		Develop quality and affordable recreation for all levels of the community (youth, elderly, etc.)
39	PC		No more cul-de-sacs/promote grid design
40	PC		Closer coordination of services and improvements between town and county - eliminate duplication of efforts
41	PC		Encourage diversity of uses and better mix of uses in the historic district
42	PC		Establish a cultural arts center downtown
43	PC		Establish a dog park
44	PC		Establish a branch of a major university/higher education in town
45	PC		Foster diversity in the business and political environment in town to encourage minority participation
46	PC		Establish a convention facility
47	PC		Focus on redevelopment and infill along strip mall areas (along Market and Catoctin Streets)
48	PC		Redevelopment adjacent to historic district should be in character with historic district
49	PC	5A	Demand architecturally superior design and materials in new construction
50	PC		Concentrate on tree canopy
51	PC	2	Develop a business friendly community
52	PC		Avoid Sheetz-type shopping center (Leesburg Park)
53	PC		Provide incentives to businesses to upgrade their buildings and property
54	PC		Have a plan and stick to it
55	PC		Attract quality jobs
56	PC		Work proactively with developers early to meet planning goals and business needs
57	PC		Complete vital spokes missing from public transit wheel
58	PC		Gentler transition between residential and commercial and integrated designs
59	PC	5B	Be more creative in efforts to promote public/private partnerships
60	PC		Review effectiveness of proffer system
61	PC		Annual and effective review of the town plan - build into town plan
62	EDC	4	Fiber optic infrastructure
63	EDC		Preserve historic downtown
64	EDC		Sustain small town charm/family atmosphere
65	EDC		High tech jobs for residents
66	EDC		Affordable housing
67	EDC		Mature network of walking and biking trails/master trail plan
68	EDC		Multi-generational living and recreation for all
69	EDC		Plan for high tech advancements
70	EDC		Set high development standards and adhere to them
71	EDC		Town sees itself as suburb of major metro area, not small rural town
72	EDC	1	65 % of taxes from businesses
73	EDC		Town council/planning commission learn to say no to inappropriate development; not last chance
74	EDC		Make Leesburg cultural/activity center of county
75	EDC	3	Preserve authentic heritage

Number	Source	Rank	I deas
76	EDC		Create better information (procedures, resources) infrastructure for small businesses
77	EDC		Downtown ambience uptown/throughout town
78	EDC		Be prepared to weather storm (transition period for downtown); stay the course
79	EDC		School system in top 5% in the nation
80	EDC		Develop as cultural center, with convention/hotel facilities
81	EDC		Street cafes
82	EDC	2	Well managed transportation infrastructure
83	EDC		Large, viable healthcare facility in town
84	EDC		Viable road network
85	EDC		Redevelopment of older/aging commercial areas
86	EDC		Volunteer network
87	EDC		Well known as international pharmaceutical location
88	EDC	5	Establish high quality streetscape design standards
89	EDC		Mandatory fast-start program for new businesses
90	EDC		Water features (ex., fountains) around town
91	EDC		Establish visual gateway to town, historic downtown
92	EDC		Pocket parks around town
93	EDC		Central gathering space--multi-use
94	OHD1		More land preserved (i.e. parks, wetlands, wildlife)
95	OHD1		Traffic calming
96	OHD1	4A	Complete mixed-use businesses downtown for walkability
97	OHD1		Town government attentive to residential and business needs in historic district
98	OHD1	1	Preserve open space
99	OHD1		Meets all needs of whole spectrum of existing population for housing and leisure
100	OHD1		Downtown history attracts others, enforcement of guidelines throughout town, especially historic district (architectural integrity)
101	OHD1		Effects of Greenway on downtown traffic
102	OHD1		Affordable housing for elderly
103	OHD1		Attract imaging center
104	OHD1		Full occupancy of buinesses in historic district
105	OHD1	4B	Focus on citizens' good, not developers'
106	OHD1	2	Preserve the unique, historic, and irreplaceable
107	OHD1		Supporting local farmers/co-ops
108	OHD1		Alternative forms of transportation
109	OHD1		Preserve existing viewsheds
110	OHD1		Solve downtown parking issues
111	OHD1		Trolley from satellite parking to historic district
112	OHD1	4C	Integrity of long-term goals
113	OHD1		Less red tape
114	OHD1		Unclutter downtown (signs, wires, etc.)
115	OHD1	3	Make historic district prosperous
116	OHD1		Keep Leesburg affordable for all income levels
117	OHD1		Central gathering area downtown (i.e. benches, water features)
118	OHD2		Need for dog parks
119	OHD2	1	Connect sidewalks/paths; new - not necessarily upgrade of existing
120	OHD2		Interesting mix of shops/restaurants
121	OHD2		Keep churches downtown

Number	Source	Rank	I deas
122	OHD2		Maintain trees; encourage additional quality trees
123	OHD2		Underground utilities
124	OHD2		Wider sidewalks
125	OHD2	2	Greener D.T./ Historic District - All of town
126	OHD2		Unobtrusive but significant parking
127	OHD2		Address needs of diverse population (hispanic + others)
128	OHD2		No rezoning of commercial to residential
129	OHD2	2	Develop streetscape plan (landscaping/sidewalks/landscaping)
130	OHD2		More retail designed like Market Station (not so linear)
131	OHD2		Redevelop around historic district - quality businesses/residential - more urban-like
132	OHD2		Town purchase land for pocket parks (trees instead of new houses)
133	OHD2		Encourage more street closings for events and alternate street closings
134	OHD2	3	Negotiate with developers to keep historic nature of the town
135	OHD2		Encourage public space as part of redevelopment
136	OHD2		Smaller size SF homes
137	OHD2	3	Do not allow too much change in historic district
138	OHD2		Encourage minority businesses
139	OHD2	5	Encourage pubic activity/interaction - sense of community
140	OHD2		Provide affordable dwelling units (through town plan, Z.O., etc.)
141	OHD2		More outdoor seating (for eating) (through Z.O.)
142	OHD2	4	Don't allow more "Sheetz-type" development
143	OHD2		Review traffic use of town streets
144	OHD2		\$ contributions (from developers) for parks and schools
145	OHD2		25 m.p.h. - maintain where existing
146	OHD2		More crosswalks - red brick
147	OHD2		Mass transit - Leesburg to the East; rail
148	OHD2		Encourage HOV/ride share; "park and ride"
149	OHD2		Noise regulations (motorcycles.....)
150	OHD2		Light pollution
151	OHD2		Stronger street lights
152	OHD2		No additional street closings
153	OHD3	1	Address traffic congestion - road infrastructure
154	OHD3	2	Community that honors all age groups with housing, recreation, and community involvement opportunities for multiple generations
155	OHD3	5	Walkable community between sectors - connectability (trails)
156	OHD3		Affordable housing
157	OHD3		Expand historic district and authority of Board of Architectural Review beyond current scope
158	OHD3	4B1	Retail development (i.e. independent grocer) and hospital downtown
159	OHD3	4B2	Attract small, viable businesses townwide (diversity)
160	OHD3	4B3	Retail on first floor of Town Hall
161	OHD3		Aesthetic environment including underground utilities
162	OHD3		Live, work, play; multi-use; senior living in downtown
163	OHD3		Redevelopment (infill properties) that maintains architectural integrity
164	OHD3		Expand from historic district and create new districts beyond downtown
165	OHD3		Develop (in or around Town Branch) an Inn (20-40 Room)
166	OHD3		In Town Branch (around junk car lot) build an amphitheater

Number	Source	Rank	I deas
167	OHD3		Infrastructure (fiber optics) to support telecommuting
168	OHD3	3A	Policies/atmosphere to support new business development and retain current business (tax incentives)
169	OHD3	4A	Performing arts center south/east of town
170	OHD3	3B1	Preserve viability of airport
171	OHD3		Advertise town (i.e. reasons to come on day trips)
172	OHD3	3B2	Provide spinoff/biotech industries opportunities (i.e. land available)
173	OHD3	3B3	Get universities to collaborate/shared campus
174	OHD3	3B4	Get retail merchants and property owners to work together
175	OHD3	3B	Expand corporate limits to accomplish above
176	OHD3		Redevelopment authority
177	OHD3		See sense of place with identifiable boundaries (i.e. sidewalk cafés) where people can meet and little parks
178	OHD3		Parking (garages that don't look like garages)
179	OHD3		People friendly signage throughout town and gateways
180	OHD3		Information/resource center
181	OHD3		Viable downtown business association
182	OHD3		Public/private partnerships
183	SE1		Toy store near Curtin Place
184	SE1	5	Preserve small-town feel while promoting business
185	SE1	1	Significantly improve roadways, walkways, and bike paths before significant problems occur
186	SE1		Improve air quality
187	SE1		Green buffer around town and county
188	SE1		Government stays as small as possible
189	SE1		Improve parking in downtown historic district
190	SE1	3	Make process easier for new businesses to locate in Leesburg (new or redeveloped locations)
191	SE1		Revise zoning regarding power plant (rezone for no power plants)
192	SE1		As supportive as possible of schools and school board
193	SE1		Town should communicate better with residents (Mt. Tavistock)
194	SE1	2	More recreational facilities (parks and ballfields)
195	SE1		Keep taxes and spending down
196	SE1		Link to things (mass transit) outside Leesburg - rail line
197	SE1		Reston = good; Manassas = bad
198	SE1		Maintain historic district; variety of services (not tourist-based)
199	SE1		Another post office facility (plenty of parking, better access)
200	SE1		Have town outside bypass feel a part of the town (ex., location of welcome sign)
201	SE1		Rezone or beautify (higher design standards)
202	SE1		Mindful of all gateways (7 West, 15 North, 15 South, Greenway) into town
203	SE1		Maintain events and public recreation center
204	SE1	4	Curtail residential development until businesses catch up
205	SE1		Maintain historic landmarks (Log Cabin)
206	SE2		Reduce in-town traffic
207	SE2	5	Upgrade 15 bypass to an expressway
208	SE2	3	Complete Battlefield Parkway with bike trails and sidewalks
209	SE2		Require developers to pay for more infrastructure

Number	Source	Rank	I deas
210	SE2		Green buffer around town and county
211	SE2		Revisit existing zoning for compatibility
212	SE2		Make town attractive for high quality employers
213	SE2		Provide better road connectivity/reduce cul de sacs
214	SE2		Provide bus or light rail rapid transit to town
215	SE2		Better utilize underutilized land in the downtown
216	SE2	1	Preserve the center of town and expand outside the old town
217	SE2		Provide more sidewalks
218	SE2		Provide more passive recreation and open space
219	SE2		No more cookie cutter developments
220	SE2		Encourage affordable senior housing
221	SE2	2	Provide better mix, style, and price range of housing
222	SE2		Provide a passive park in southern part of town and a second library
223	SE2	4	I ncrease high tech businesses in downtown an airport
224	SE2		I nsure diversity of businesses
225	SE2		I ncrease home occupation type businesses
226	SE2		Look at impacts of new development on existing development
227	SE2		Diversity of quality restaurants
228	SE2		Provide good fiber connectivity
229	SE2		Protect all entrances into town
230	SE2		Provide outer loop
231	SE2		I mprove police presence
232	SE2		Protect open spaces
233	SE2		Provide high landscaping standards and street trees
234	SE2		I mprove health care options
235	SE2		Create special taxing district for improvements
236	SE2		Town should move to city status and control schools
237	SE2		I ncrease cooperation with county
238	SE2		Relax BAR requirements to allow for diversification of businesses
239	SW1		I ncrease citizen awareness and participation in planning process.
240	SW1	4	Make Leesburg a good place for pedestrians and non-motorized movement.
241	SW1		Make historic district relevant to residents (reason to go there)
242	SW1		Medical care within walking distance.
243	SW1	3	Adopt <u>best</u> ordinances and stick to them.
244	SW1		Conserve and assist citizens with nature and wildlife
245	SW1	2	Create and preserve wildlife corridors into/out of Town limits.
246	SW1		Service sector needs to catch up with current growth.
247	SW1	1	Place where retired people and others can still afford to live.
248	SW1		Town Plan needs timeline and tie Capital I mprovements Program to town plan
249	SW1		Need more police patrols, speeding tickets will fund additional police
250	SW1		Provide cameras to monitor public areas (problem areas) to stretch enforcement personnel
251	SW1		Better and higher paying jobs.
252	SW1		A town where you can shop for 75 percent of needs.
253	SW1		Room to grow/annexation.
254	SW1	5	Preserve way of life/curb developers.
255	SW1		Tax speculative homes at higher rate.

Number	Source	Rank	I deas
256	SW1		Examine whether growth is desirable for town.
257	SW1		Graduate-level university within town limits.
258	SW1		Stick to development plan for planned communities.
259	SW1		Build proffers as developers build.
260	SW1		Provide high speed internet/cable for town.
261	SW1		Deal with creating a sense of community pride and ownership
262	SW1		Series of inter-connected paths and walkways to connect communities
263	SW1		Pedestrian-scaled retail (accessible street-front)
264	SW1		Decorate all downtown buildings in Leesburg with holiday lights at Christmas time
265	SW1		Flowerboxes on windowsills in downtown in summer.
266	SW2		Accommodate needs of all residents (trans., svces., parks, long-term sustainability)
267	SW2	1	Provide more affordable housing opportunities
268	SW2		Provide affordable activities for teens (ie. Teen center, summer programs, job opps.)
269	SW2	4	Transit system to D.C. (rail)
270	SW2		I ncreased healthcare options; more hospitals
271	SW2		Keep both taxes and spending low
272	SW2		Safety and accessibility (capacity) for emergency services; plan review
273	SW2		Plan for a balanced community (jobs, recreation, houses, other amentities, etc.)
274	SW2		More shopping areas that one can walk to
275	SW2		More diversity in town government; (hiring in town government)
276	SW2		Focus gvt. only on essential services
277	SW2	3	Keep public facilities in-line with growth (infrastructure)
278	SW2		Focus on re/development near existing infrastructure
279	SW2		More diverse shops in historic district
280	SW2		Streamline regulations in order to attract more businesses
281	SW2	5	Encourage adaptive re-use of buildings/existing structures
282	SW2		Complete incomplete sidewalk connections
283	SW2		Affordable office space; business incubator
284	SW2		Preserve historic structures
285	SW2		"Electronic Village" concept, ex: Blacksburg; wired & wireless connections
286	SW2		Town cultural day
287	SW2	2	Relocation guide supplied by gvt.; town "how-to" guide, ex: utilities, cable, garbage-pick information
288	NE1		Better percentage of open space in residential and commercial development
289	NE1		I mproving bypass (delete at-grade intersections)
290	NE1		No more new developments
291	NE1		I ncreased shopping
292	NE1		Equal consideration to aesthetics of affordable housing areas - similar to downtown
293	NE1	4	Transform neighborhoods - allow greater diversity in ages, incomes, cultures, family types (mix of housing types/prices)
294	NE1	1	Create recreational facilities and programs for teens
295	NE1		Complete sidewalks, trail system to make Leesburg more pedestrian-friendly; connect with other trails/communities with bike facilities at destinations
296	NE1		Political consistency, adhere to plan and everything done should point to that; don't change with each election
297	NE1		Mass transit - reduce cars and use other forms to travel across town
298	NE1		Reduce crime - future of gangs

Number	Source	Rank	I deas
299	NE1		Excite residents about Downtown
300	NE1		Allow places to work within each neighborhood
301	NE1	5	Have different types of restaurants and businesses in town
302	NE1		Protect the environment and plant trees
303	NE1		Separate commercial and light industrial from residential
304	NE1	2	Realistic transportation planning (mass transit, train/metro, more bike paths, sidewalks, wider roads, etc.) more capacity - (lanes, bypass with no at-grade intersections)
305	NE1		Traffic calming in residential areas
306	NE1		Preserve natural features - ex. creeks
307	NE1		System to fix older buildings in Historic District, maintain integrity and character of Old and Historic District
308	NE1		Pocket parks
309	NE1		Make edge of downtown more walkable (i.e. strip malls on Market Street, add trees and sidewalks, walkways)
310	NE1		Secede from County, [achieve] city status
311	NE1	3	Lower Taxes
312	NE1		Support community policing
313	NE1		Create a sustainable plan for the future of the town
314	NE1		Modifying Zoning Ordinance to allow outdoor seating at restaurants
315	NE1		Pedestrian downtown, no cars - "pedestrian mall" 8 blocks from center of town
316	NE1		Bring in larger businesses to outskirts, address commute, not be a suburb of D.C.
317	NE1		Continue good school quality
318	NE1		Properly located schools (neighborhood schools where needed, vs. where land is available)
319	NE1		Walk-over bridge at bypass
320	NE2		Comprehensive network of trails (safe, multi-modal bike and pedestrian) town & county; for both leisure and errands
321	NE2		No semi-trucks on Battlefield Pkwy. - NE side of town (7-15 Bypass)
322	NE2		Need to be a more cohesive community; (town meetings) more community involvement, more responsive town government, increase community convenience
323	NE2		Occupancy limits in residences; increase enforcement
324	NE2	3	Have infrastructure keep pace with growth and facility support
325	NE2		Educate public on strengths/weaknesses of existing Town Plan; share info. On costs of services for various uses (residential vs. commercial)
326	NE2	4	Increase density (office & commercial)
327	NE2		Recognize transportation nexus (crossroads) of long distance commuters; develop commercial accordingly - traffic not to spread into residential
328	NE2		Have a bypass without at-grade intersections
329	NE2		Improve crossroads at 7 & 15
330	NE2	1	Increase amount of businesses; (increase employment opportunities); tech corridor
331	NE2		Preserve simple open space
332	NE2		Develop short-term, intermediate road improvement plan (add accountability with timeframes)
333	NE2	5	More fee-friendly (re: government fees), without increasing taxes
334	NE2		Riverwalk - Tuscarora Creek; increase downtown park space
335	NE2		Increase recreation opportunities near Potomac/mountains (along ridge line of catoctin)
336	NE2		Expand historic district (commercial size) (ex.: Royal & Wirth)

Number	Source	Rank	Ideas
337	NE2		Increase minimum lot sizes
338	NE2	2	Restrict residential development
339	NE2		Protect residential neighborhoods from parking, increased congestion, cut-through traffic
340	NE2		Extend rail to Leesburg (Leesburg Airport)
341	NE2		Increase opportunities for parking in town
342	NE2		Focus on industry-type uses on Catoctin Circle
343	NE2		Incorporate Leesburg as city
344	NE2		Stop housing near airport runway area
345	NE2		Connect Potomac Heritage to W&OD Trail
346	NE2		Don't write plan and leave on shelf - implement
347	NE2		Annex land west of 267 (airport) & create a non-residential buffer
348	NW1		"Quaint vs. Shabby" in historic district and older parts of town - Town fix up shabby property and place lien
349	NW1	3	Complete bike trails and sidewalks - town-wide/county
350	NW1		Keep historic district viable, clean, healthy and inviting
351	NW1	2	Implement the current trail plan
352	NW1		Preservation for older neighborhoods - "identity", repair old residences through code or financial incentives
353	NW1	5	Have Town Plan include/follow the downtown commercial plan, especially with trails, greenways and facilities
354	NW1		Create a more uniform/tailored look on East Market Street commercial (street trees, sidewalks, lighting, landscaping in median)
355	NW1		Plan to build more "Freedom Parks" - play fields for kids/all
356	NW1		Move Loudoun County Visitors Association back downtown
357	NW1		West of Airport/east of Greenway property - annex and zone for no residential
358	NW1		Improve commercial streetscapes and architectural standards for development to compliment historic district
359	NW1		Annex Urban Growth Area to build commercial tax base
360	NW1		Promote Balch Library and Dodona Manor nationally
361	NW1		Increase multi-generational activities (Christmas in April)
362	NW1	4	More equitable taxing for town residents who also pay Loudoun County taxes
363	NW1		Change Market/Loudoun Streets to one way and redesign intersections at historic district entrances
364	NW1		Potomac River access for small craft (non-motor)
365	NW1		Teen centers
366	NW1		Study of "city" vs. "town" status (pros and cons)
367	NW1		Park and Rides for public transportation (buses to trains)
368	NW1		Maintain high school cross country trail at Ida Lee
369	NW1		Increase code enforcement in town (i.e. trash at curbside)
370	NW1		"Spring Cleaning" - pick up everything week (once a year)
371	NW1		Pedestrian-friendly town [with] crosswalks, signs, flashing lights, islands, etc.
372	NW1		Riverwalk along Town Branch of Tuscarora Creek from historic district along Tuscarora Creek
373	NW1		Continue traditions - August Court Days, 4th of July, Christmas, Flower Show, etc.
374	NW1		Build a low-impact amphitheater at Ida Lee for Bluemont
375	NW1		Build a performing arts center

Number	Source	Rank	I deas
376	NW1		Outdoor pool at I da Lee
377	NW1		Improve southeast traffic flow - [and traffic flow] throughout town
378	NW1		Lower impact development, build to LEED standards - minimal runoff from parking lots, etc.
379	NW1	1	Accountability of successful implementation of Town Plan with periodic PUBLI C updates
380	NW2		Emergency room closer to highway accessible area (relocate existing)
381	NW2		Keep outer beltway away from town (western bypass crossing into MD)
382	NW2		Attracting and keeping employment in Leesburg (small business)
383	NW2		Cultural Center/Arts Center (ex: Wolftrap outdoor theater)
384	NW2		Develop trails, outdoor pool at I da Lee
385	NW2	1	Protect walkability of community; and schools, bike lanes
386	NW2		Complete sidewalks and park trail system
387	NW2		Extend hours of business in Hist. Dist.
388	NW2		Good I talian restaurant
389	NW2		Mass transit to DC (rail)
390	NW2	4	Develop water feature (ex: public fountain)
391	NW2		Greener and protection of trees
392	NW2		Have existing bus system make more sense (improve scheduling and stops or eliminate entirely)
393	NW2		Create façade improvement program to protect the historic character and integrity of the historic downtown
394	NW2		Leesburg Christmas ornament (as fundraiser) (ex: White House ornament)
395	NW2	2	Do more to encourage pedestrian traffic; ex: sidewalks on both sides of streets; connect residential to commercial
396	NW2		Town should subsidize the maintenance and replacement of trees; tree ordinance
397	NW2	3	I ncreased funding of water, stormwater drainage, and sewer infrastructure; more fire hydrants
398	NW2	5	Bottleneck entering town from the east (7); and Congestion on 15 Bypass - make improvements to both
399	NW2		Better communication between citizens and employees in town government (particularly better communication between employees {intra communications})
400	NW2		Establish Leesburg gateway signage at entrances
401	NW2		Education administrators are arrogant (better customer service; should be better listeners)
402	NW2		Don't expand town limits
403	NW2		Better signage at N. side of 15 Bypass & Bus. 15 (truck traffic)
404	NW2		Less dense housing (new const.)
405	NW2		Open alternate routes between areas of town (barricades, pave Ft. Evans Rd., E.F. Road)
406	NW2		Better enforcement of zoning regs.
407	NW2		I mproved parking system
408	NW2		Expand historic district
